

The School of Information Technologies Postgraduate Coursework Entry Scholarships

The School of Information Technologies at the University of Sydney will offer scholarships valued at \$5,000.

Terms and Conditions

- I. The Scholarship shall be open to all local and international applicants commencing in the Master of Information Technology (MIT) or the Master of Information Technology Management (MITM) degree. The Scholarship will be awarded on the basis of academic merit as indicated by the applicant's performance in their undergraduate degree (and specifically in IT and IT-related subjects) and other tertiary-level studies and will not be available to students already enrolled.
- II. The Scholarship shall be tenable in the School of Information Technologies and shall not be transferable.
- III. The Scholarship shall be tenable for one year subject to the Scholarship recipient meeting all the obligations of the program, and subject to academic progress being deemed satisfactory by The University of Sydney. The Scholarship recipient is expected to achieve at least a high credit average in their first semester after receiving the scholarship.
- IV. The Scholarship shall be valued at \$5,000 for students enrolled full-time in the Master of IT or Master of IT Management program, commencing in either semester 1 or semester 2, and will be paid in two instalments, after 31 March census date and 31 August census, subject to III above.
- V. In the event of a scholar leaving the program for any reason and not completing the MIT or the MITM, they may be required to pay back any monies received in the year of discontinuation.

The Scholarship may be suspended or withdrawn should the Scholar fail to comply with any of the Terms and Conditions outlined above.

The Application Process

- International and domestic applicants must have an offer for the Master of IT or Master of IT Management prior to application but will need to have a firm offer by the closing date.
- The application must be sent in at the time of or after acceptance of offer into the Master of IT or Master of IT Management, at the University of Sydney.
- Applications are ranked according to academic achievement as presented in the application and supporting documentation.
- Applicants will be notified of the outcome of their application.
- Successful scholarship candidates must be enrolled in the Master of IT or Master of IT Management on a full-time basis, in either semester 1 or

semester 2.
